MEAT PROCESSING WORKSHOP FOR SALE IN VILKYČIUI For sale 97.65 sq.m. a building where production can be carried out. The building is suitable for a meat processing workshop or other activities related to the food industry. The building was reconstructed in 2002. There is a project for the development of the building - the possibility of expanding the building to 223 sq.m. The area of the plot is 24.05 acres, the territory is planted and asphalted. The territory is fenced. There is a guard booth in the area. The plot borders the forest and the river Veiviržas. It is also possible to set up a homestead. Purpose of the plot of land - "Land of other use", method of use - "Territories of industrial and storage facilities". Permission has been obtained from the State Food and Veterinary Service to develop a meat processing workshop based on this technology. The complete arch...
