A great semi-detached house under renovation in a great location in Klaipėda, on Skinijos Street, not far from PC Akropolis. The house owns part of a 4-acre plot of land (the total area of the plot is 8 acres). Skinija street is paved. Newly completed works: - installed artificial ventilation (recovery) system; - replaced all electric cables and water supply pipes; - improved noise isolation of the wall with neighbors from the first to the third floor; - new sanitary unit mechanisms were installed; - a heated floor is installed on the first floor; - new radiators were installed on the second and third floors; - all walls are plastered and plastered, some are painted; - a new tile floor has been laid in the living room; - new doors without frames (hidden) installed; - bought but not installed new stairs with handrails; - new front door; - a security alarm system is installed. The repair w...
