About this object

Modern. Sustainable. Functional.

Dont limit yourself - life here, on the left bank of the Neris, is the hustle and bustle of a modern center, a city within a city. It is a 15-minute concept that dictates the future of business and quality of life in the capital.

No compromises for quality and innovative solutions. The project is certified by the worlds leading BREEAM sustainability certificate. This will optimize resource consumption and significantly reduce building operating costs.

After closing the door of the house, you will be greeted by the embankment of Neris, inviting you for a quiet walk or bike ride. There are modern active leisure and sports areas here.

Horizons - a modern center of gravity, dictating future trends and the rhythm of life.

Distinctiveness and advantages:
