About this object

A plot of land of 60 ha with buildings is for sale in a beautiful Swiss-like natural environment and historical area in the Dubysa Regional Park. The shores of Dubysa belong to 553 meters. The plot has a residential house, a former water mill, a large farm building, a former homestead (by the bank of Dubysa). In the territory, the thousand-year-old archaeological settlement of Vaškučiai is protected, where the last krivi lived and the last fire of the old Balti faith was extinguished. The area is rich in springs (Krivios akis flows next to the house), providing clean, living water. Forests cover more than half of the land. There are three ponds near the buildings. It is an ideal place for nature lovers, peace seekers, and also suitable for commercial activities. Do not miss the opportunity to become the owner of this special place! The homestead has a total land plot area of 59.386 ha: - Area of meadows and natural pastures: 14.9327 ha; - Forests
