About this object

Luxury apartment for sale in the Old Town

This is an exclusive space designed by the famous American designer Nicole Sassaman, which combines elegance, comfort and modern design, emphasizing every detail.

This light-filled home boasts 4x4m skylights that overlook the enchanting view of St. Catherine's Church, and the nearly 5-meter-high ceiling gives a sense of space, filling the interior with natural light.

There are only two neighbors in the stairwell - one on each floor, and for additional comfort there is a private stairwell elevator that takes you directly to the underground parking lot.
