About this object

A perfectly furnished house is for sale in Lapės, surrounded by nature. The Neris River flows on one side of the house, and the Lapės pond on the other. This is a place where you can escape the hustle and bustle of the city, breathe in a breath of fresh air and immerse yourself in an oasis of peace. However, the city's amenities will remain nearby - medical institutions, schools, kindergartens, shops and public transport. The house is sold with all furniture and household appliances, so you, as the new owners of the house, will not have to worry about household equipment. This is a house that you will not want to leave once you enter. It is impossible to describe that coziness in words, so I invite you to come for an inspection and feel it for yourself. Well-planned interior: the house has 3 bedrooms and a spacious living room connected to the kitchen area. On the first floor - a spacious dressing room, living room, kitchen, toilet, pantry.
