About this object

Spacious 4 room apartment with two balconies and two bathrooms, perfect for your family. Parent's privacy is ensured by a separately planned bedroom and a private toilet with shower. The living room is connected to the kitchen in a large open space of 47m² that comes with a working fireplace. Everything is modern, tasteful and furnished with the highest quality materials that were curated by a designer. The apartment is currently a second home, so was seldom used and is practically new. There are two more projects under construction in the neighbourhood and the area is being developed at a rapid pace. A pedestrian bridge is also planned just in front of the building that will connect the two sides of Žvėrynas.
