About this object

INVESTMENT PLOT FOR SALE WITH A PREPARED PROJECT PROPOSAL

ADVANTAGES

An attractive investment object consisting of 6 separate plots with a total area of 50 ares. The plots fall into a mixed residential and commercial area. Currently, the existing plots are for commercial use. The plots are owned by a natural person and are not mortgaged or otherwise restricted. In order to design, the plots must be combined into one common territory with a detailed plan or a formation and reorganization project. After the merger, it is possible to design commercial: hotel, trade, service, catering or administrative buildings or change the purpose of the land and focus on the construction of apartment buildings. A promising location, because one of the busiest arteries of Kaunas city is nearby - Mūravos intersection, the western bypass, famous trade and service companies, administrative buildings are
