About this object

FOR SALE: NEWLY BUILT LOG HOMESTEAD OF UNIQUE ARCHITECTURE BY THE WHITE LAKE IN THE ZARASA DISTRICT. The homestead is located in a quiet area surrounded by forests, along the plot flows the Laukesa stream, which borders the plot for 200 m. There is a naturally formed pond on the plot. The lake is only 160 m away, and the homestead also has a pontoon bridge. Nearby are the Liaudiškės hillfort, burial mounds and the White Lake Park, which is decorated with various wooden sculptures. The homestead was designed by architect Kęstutis Sabaliauskas, whose goal was to create a high-quality homestead reflecting Lithuanian folk architecture, taking into account the latest technologies. Therefore, only high-quality and natural materials were used for this - reinforced concrete piles with a grillage, especially thick hewn pine logs from Siberia, a roof covered with aspen chips, insulated with rock wool. The homestead also has a high-quality sauna. It is s
