About this object

Land plots for sale for the construction of residential buildings from 8.01 a to 15.22 a in a great location for your dream home!!! Are you looking for a quiet and comfortable place to live or invest? We offer exclusive land plots for the construction of one- and two-family residential buildings in a beautiful and rapidly developing area in Verduliukų village. On Tyravos and Vaivos streets. This is a great choice for those who value privacy and convenient transportation. Plot areas range from 8.01 ares to 15.22 ares, so everyone will find a suitable option according to their needs - both for a compact house and a more spacious homestead or a residential house with a garden. There are electricity inputs next to the plots, and a gas line also runs. A project is planned for connection to the city's water supply and sewage networks. The plots were formed by performing cadastral measurements. Contact us with any questions you may have and let us
