## About this object

A two-story house with an extension is for sale, with a total area of: 122.33 sq.m. A residential house with an 8 acre land plot and an outbuilding. The roof of the house has been replaced. The entrance to the yard is paved with paving stones. The house was heated with wood. The water is heated by a boiler. The house plot is on the sunny side, so it is a great place to spend time with the family in the evenings. Neat neighbors. Nearby is a pine forest, the Venta River. Final works are planned: The house will be connected to the city water supply and sewage system. The plot has been tidied up, an old greenhouse has been removed, and a green lawn has been planted around the house.
