About this object

MODERN HOUSE FOR SALE IN THE HEART OF NATURE – ANTAKALNIS, VILNIUS

A thoughtfully designed, single-story house for sale in the prestigious and gated residential community "Draustinio namai", located on Lietaviškių Street, Antakalnis, one of Vilnius' most desirable neighborhoods. This is a unique opportunity to live surrounded by nature, right next to a protected forest area, yet stay connected to the city's daily conveniences.

The house is nearly completed – all major work has been done. Flooring, lighting, and furniture are yet to be installed, giving you the freedom to finish the interior entirely according to your own taste. The area is quiet and fully developed, with no ongoing construction and only long-term residents – families who value peace, safety, and quality of life.
